

**I. Verneine den unten stehenden Text.**

I am waiting at Euskirchen main station. I am standing on platform 1. Near me a family of four is sitting on a bench. The mother and father are talking. The small boy of seven is reading a comic book. His sister is asking their mother for something to drink. An older lady is looking at the timetable.

I am not waiting at Euskirchen main station. I am not standing on platform 1. Near me a family of four is not sitting on a bench. The mother and father are not talking. The small boy of seven is not reading a comic book. His sister is not asking their mother for something to drink. An older lady is not looking at the timetable.

**II. Stelle Fragen zu den gelb markierten Satzteilen.**

On the one end of the platform two boys are listening to music. They are using their headsets for their smartphone. An old man is opening the door to the entrance hall. A young woman is passing through the other doors. I am walking along the platform. I can see two people entering the bookstore. Four people are waiting in a queue to enter the travel agent's. Three boys are leaving Mc Donald's.

1. What are two boys on the one end of the platform doing?
2. What are they using their headsets for?
3. Who is opening the door to the entrance hall?
4. What is a young woman doing?
5. Where are you walking?
6. Who can you see?
7. Who is waiting in a queue to enter the travel agent's?
8. What are three boys leaving?

**III. Beantworte die unten stehenden Entscheidungsfragen (Ja-/Nein-Fragen) mit der richtigen Kurzantwort.**

I am passing two girls who are sitting on a bench. One girl is looking at her math book. The other girl is writing a text message on her mobile. Not far away a man in a business suit is waiting. He is holding his mobile in his right hand. In his left hand he is carrying a black suitcase. My train to Trier is arriving.

Are you passing two girls who are sitting on a bench?

Yes, I am.

Is one girl looking into her English book?

No, she isn't.

Is the other girl writing a text message on her mobile?

Yes, she is.

Is the man wearing short trousers and a jeans jacket?

No, he isn't.

Is he holding a mobile in his left hand?

No, he isn't.

Is he carrying a black suitcase in his left hand?

Yes, he is.

Is your train to Bonn arriving?

No, it isn't.
